

The Missouri Office of Prosecution Services will be hosting a FREE webinar on

**Tuesday, August 18, 2015 from 10:00 AM - 12:00 PM (Central).**

### ***Working with the DNA Lab @ MSHP***

Stacey Bollinger from the Highway Patrol's DNA Lab will speak about how the DNA Lab functions, ways to help the Lab in prioritizing cases and communication with the Lab that will assist in reducing wait times for DNA evidence processing.

The webinar will qualify for 2.4 CLE hours and 2.0 hours POST certification is pending (2.0 Technical). We will also seek qualification for CA/N statute 210 credit for Children's Division (2.0 hours).

**FYI - It is best to use headphones or external speakers for the webinar as the audio tends to be clearer.**

**You may need to cut and paste this link into your browser.**

The webinar is free of charge to prosecutors, prosecution office staff, law enforcement officers, victim advocates, probation officers, juvenile officers, juvenile court staff attorneys, children's division investigators, medical professionals and children's advocacy center staff. **All other similarly allied professionals must obtain prior approval from webinar organizers.** Please contact [catherine.vannier@mops.mov](mailto:catherine.vannier@mops.mov) if you are not a member of one of the above listed professions

Once we have approved your registration, the program will send you a confirmation email with the link to go to on the day of the webinar. Please be sure to retain this email. Please be specific as to your profession and agency in your webinar registration so that we can quickly approve your link.

**Law enforcement officers please note that there are specific instructions for receiving POST certification for this webinar. Per our arrangement with DPS, you will be required to answer all polls during the webinar. If all polls are not answered, we cannot provide you with a POST certificate. Please be sure to answer all polls in order to get POST certification.**

**PLEASE NOTE:** The poll feature required for POST does not work on iPhones, iPads, Androids, or other miscellaneous smartphone or tablet devices when accessing the website from the device's browser. Please access the webinar via a computer in order for the polls to work properly. GoToMeeting does have an app for Androids and Apple devices that some law enforcement have been able to successfully use and complete the polls. You may choose to try this route. However, please make sure to contact the webinar organizers if the poll feature is not working, so we can count you as present and provide you with POST. It is best to view the webinar via computer.

After registering you will receive a confirmation email containing information about joining the Webinar. In order to make sure you are able to log on, please register at least 72 hours in advance of the webinar. **If you do not receive a confirmation email, it has likely gone to your Spam or Junk Mail folder. Please add [gotowebinars@citrixonline.com](mailto:gotowebinars@citrixonline.com) and [mopswebinars@yahoo.com](mailto:mopswebinars@yahoo.com) to your list of safe addresses.**

**\*\*Please do not reply to [mopswebinars@yahoo.com](mailto:mopswebinars@yahoo.com) as that address is not monitored regularly. Also, please do not reply to [gotowebinars@citrixonline.com](mailto:gotowebinars@citrixonline.com) as this is not our email address, so we are unable to access anything sent here.\*\***

**If you need assistance, please contact Catherine Vannier at [catherine.vannier@mops.mo.gov](mailto:catherine.vannier@mops.mo.gov)**

Additionally, you will receive a handout of the PowerPoint PDF file the day of the webinar. If you do not receive the handouts in this time frame, it has likely gone to your Spam or Junk Mail folder. Please add [catherine.vannier@mops.mo.gov](mailto:catherine.vannier@mops.mo.gov) to your list of safe addresses.
