

Seated Battery

October 6, 2026; 8:00-5:00

Missouri State Highway Patrol – Troop C

891 Technology Drive

Weldon Spring, MO 63304

This 8-hour class is designed for law enforcement officers who have previously completed the Basic SFST 24-hour course and would now like to gain knowledge and application skills in the utilization of the “seated battery of SFSTs” in DWI and BWI detection and enforcement. Prosecutors are also welcome to attend.

Upon completion of this course the student will have a thorough understanding and transition to the seated SFSTs. A compilation of performance measures will be used, including scenario review, class discussion, and objective testing.

The class qualifies for 8 hours of POST and CLE credit.

There is no charge for this training, but space is limited. The registration link is here:
