

The Missouri Office of Prosecution Services will be hosting a free webinar on

Tuesday, October 20, 10 AM to 12:00 PM

What the Law Enforcement Community Needs to Know About Card Skimming & Cloning

Shazam Senior Robbery & Crisis Management Consultant, and founding Director of the Iowa Homeland Security Training Center, Michael Burke will present this specialized webinar for law enforcement and allied investigative personnel.

When you understand the fine details of skimming and cloning of debit and credit cards, everyone stays safe. Learn to identify internal and external skimmers and PIN-capturing cameras at the ATM, point of sale and gas pumps. Real-life examples highlight how thieves set up these devices and steal from card holders, merchants, and customers.

POST & CLE Certification is pending.

FYI - It is best to use headphones or external speakers for the webinar as the audio tends to be clearer.

To register, please go to:

<https://attendee.gotowebinar.com/register/416360174208199184>

You may need to cut and paste this link into your browser.

Please be sure to use your official/ agency email address to register. If you are law enforcement and do not have a secure email address, please let me know.

PLEASE NOTE Persons needing special accommodations under the Americans with Disabilities Act should notify MOPS at catherine.vannier@prosecutors.mo.gov or (573) 644-2409 on or before **October 1, 2020**.

The webinar is free of charge to prosecutors, prosecution office staff, law enforcement officers, Adult Protective Services, and Department of Mental Health investigators. **All other similarly allied professionals must obtain prior approval from webinar organizers.** Please contact catherine.vannier@prosecutors.mo.gov if you are not a member of one of the above listed professions.

Once we have approved your registration, the program will send you a confirmation email with the link to go to on the day of the webinar. Please be sure to retain this email. Please be specific as to your profession and agency in your webinar registration so that we can quickly approve your link.

Anyone needing credit for this webinar please note that there are specific instructions for receiving training certification for this webinar. If you need training certification from us for this webinar, you will be required to answer all polls during the webinar. **These polls are most commonly silent polls so as not to interrupt the speaker during the presentation. Attendees must be watching at all times in order to answer the polls. If all polls are not answered, we cannot provide you with a certificate. Please be sure to answer all polls in order to get certification.**

PLEASE NOTE: The poll feature required for training certification does not always work reliably on iPhones, iPads, Androids, or other miscellaneous smartphone or tablet devices when accessing the website from the device's browser. Please access the webinar via a computer in order for the polls to work properly. Please make sure to contact the webinar organizers immediately after the poll if there is any doubt that the poll feature is working for you, so we can count you as present and provide you with credit. It is best to view the webinar via computer.

After registering you will receive a confirmation email containing information about joining the Webinar. In order to make sure you are able to log on, please register at least 24 hours in advance of the webinar. **If you do not receive a confirmation email, it has likely gone to your Spam or Junk Mail folder. Please add Catherine.vannier@prosecutors.mo.gov to your list of safe addresses.**

If you need assistance, please contact Catherine Vannier at catherine.vannier@prosecutors.mo.gov

It is advised that you log on a few minutes early, if possible, in case you have problems with the link or the technology.
