

The Missouri Office of Prosecution Services will be hosting a free webinar on

Probable Cause Statements - Part 2

Bringing the Elements to Court, Victim Impact and the Danger the Community

Thursday, March 11, 2021- 10 AM to 11AM

On July 1, 2019, the Missouri Supreme Court Rules made fundamental changes to the procedures by which pretrial release should be considered in the State of Missouri, making the probable cause statement an even more important opportunity for law enforcement officers to communicate precise information to the court on the factor present in any given case. In this webinar, Columbia DOVE Unit Detectives Brian Grove and Jacob Yarnell will instruct participants on how to bring the essential elements to court, assisting the court in understanding the impact of the crime on the victim and the potential dangers to the community.

CLE, POST and 210 credit is pending.

FYI - It is best to use headphones or external speakers for the webinar as the audio tends to be clearer.
