

The Missouri Office of Prosecution Services
19th Annual Conference
on
Family & Sexual Violence
Important Registration Information

Registration is now open for the 2025 MOPS Conference on Family & Sexual Violence!

Be advised that completing your registration for the conference will require **MULTIPLE** steps and will require you to navigate to **MULTIPLE** pages. **Please carefully read this email and follow the steps as outlined.** Every attempt has been made to provide all of the necessary information and answer any questions you may have. If you follow these steps and navigate to the links provided, you will be able to access information about the conference, register for the conference, pay your registration fees, and make hotel reservations.

Step 1--Access the Conference Information Page:

Information about the conference, including the agenda and details about registration fees and sleeping rooms, can all be found in the attached flyer. You can also find it through our website, under the training tab, here:

[MAPA \(mo.gov\)](https://www.mo.gov)

Step 2--Pay your registration fees:

Registration fees can be paid via credit card or check. Please see the conference information page for directions to pay with a check.

If you will be paying your registration fees via credit card, you will need to click this link to complete that payment:

<https://magic.collectorsolutions.com/magic-ui/payments/mo-prosecution-services/202205/>

Completing your credit card payment **DOES NOT** register you for the conference. You **MUST** still complete the conference registration by clicking the "Register" button below. Please note that when you register for the conference, you will be required to choose to pay at the door or with a check. You can select either option--it does not matter. Credit card payments will be credited as appropriate once the registration process is complete.

Step 3--Make your hotel reservations directly with the Oasis Hotel &

Conference Center: Registering for the conference **DOES NOT** mean that you have reserved a sleeping room. Likewise, making a hotel reservation **DOES NOT** register you for the conference. You must complete both steps separately. Please be advised that we usually sell out of the room block at the Oasis Hotel. You are encouraged to make your sleeping room reservation early.

Find details regarding cost and directions for making your reservations by accessing the conference information page as directed in Step 1.

Step 4--Register for the conference:

The final step is to actually register for the conference. You can do that by clicking the link button below. Unless and until you click this button, complete the registration form, and receive a confirmation email, you **ARE NOT** registered for the conference, and we **WILL NOT** know that you are coming.
